Now through September 4, take a trip to Tobias S Frogg, located at 1766 Columbia Ave, Lancaster, for some great eats and an opportunity to help donate your coins for some very special kids. To help kick off the restaurant's 2008 summer season, Jeff Conklin, owner of Tobias S Frogg, placed a new fountain on his patio. Surrounded by beautiful plants and flowers, this fountain not only serves as a unique accessory to the patio, but a place to make a wish, and more importantly, collect some change for the children of the Schreiber Pediatric Rehab Center.

Jeff and his crew at Tobias S Frogg have had a longstanding relationship with the Schreiber Center. Every year until this past spring, they participated in the Center's Annual Softball Weekend. Jeff claims they simply got "too old" to play softball at 3 a.m., and wanted try a different way to stay involved. At the restaurant, Jeff hopes that not only will the loyal customers help collect coins, but the servers will toss in their extra change at the end of the day. Jeff says, "Schreiber has been a vital part of the community for many years and we at the Frogg feel fortunate to be part of the community for the past 15 years. It's an old cliché, 'it's important to give something back' and I can't think of a better organization to give back too than Schreiber." Visit www.tobiasfrogg.com for more information about the restaurant.
