

The Society for Marketing Professional Services (SMPS) is a community of marketing and business development professionals working to secure profitable business relationships for their A/E/C companies. Through networking, business intelligence, and research, SMPS members gain a competitive advantage in positioning their firms successfully in the marketplace. SMPS offers members professional development, leadership opportunities, and marketing resources to advance their careers.

Today, SMPS represents a dynamic network of 7,000+ marketing and business development professionals from architectural, engineering, planning, interior design, construction, and specialty consulting firms located throughout the United States and Canada.

As a nationally recognized pediatric facility, the Schreiber Center for Pediatric Development provides family-centered education and therapy programs for infants, children and adolescents with disabilities, developmental delays, and acquired injuries. Our goal-oriented approach maximizes each child's ability to function independently within the community.

Schreiber Center for Pediatric Development serves more than 4,000 children every year. We provide outpatient and in-home pediatric therapy services, including occupational, physical, speech-language and behavioral therapy, for children birth to age 21. We also offer high-quality early education preschool and child care services, recreation programs and summer camps. At Schreiber, we see every child's unique capabilities and help them achieve their fullest potential.
